Sunfield Fast-track Application: Response to Minute 5 of the Expert Panel

I, Jigneshbhai Kishorbhai Patel of Maven Associates Limited confirm that the reports I prepared, for the Sunfield Fast-track Application, being the:

- Sunfield Three Waters Strategy Report,
- Sunfield Infrastructure Report.

were prepared in accordance with the Environment Court Practice Note 2023 (Code of Conduct for Expert Witnesses).

As requested by the Expert Panel, my qualifications and relevant experience are as follows:

I hold a Bachelor of Engineering (Honours) degree in Civil Engineering and have been a Chartered Professional Engineer (CPEng) since 2020. I am currently in the process of reapplying for continued registration. I have approximately 11.5 years' experience as a consulting Civil Engineer specialising in land development, including 5 years in senior management. I have been involved on large number of residential and commercial land development projects throughout Auckland. My experience consists of conducting the following activities:

- Earthworks and sediment control design.
- Roading pavement and geometric design.
- Stormwater design including reticulation, storage systems, water quality, regulatory compliance, operation and maintenance and flood mitigation.
- Wastewater & Water supply reticulation design.
- Contract administration.
- Construction observations.
- S224(c) Compliance.
- Project management duties (e.g. liaising with key stakeholders, managing budgets, resources, and deadlines; acquiring and compiling quotes, etc.)

Yours sincerely,

Jignesh Patel
Principal
