Dear Ethan,

***Hananui Aquaculture Project- Section 30(3) Fast Track Approvals (FTAA) request***

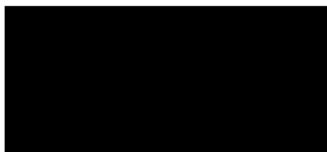

Thanks very much for your email contact of Friday 19<sup>th</sup> September requesting notice from Council under Section 30(3) of the FTAA.

You request that the Council advises in accordance with Section 30(3) of the FTAA by written notice whether there are any existing resource consents to which Section 124C(1)(c) or Section 165Z1 would apply, if Ngai Tahu Seafood was applying for resource consents for the Hananui Aquaculture project under the Resource Management Act 1991.

I confirm that we have searched our record base and there are no such existing Environment Southland resource consents of that kind.

Trusting that this satisfies your request. Please do not hesitate to contact me if any further information or clarification is required.

Yours sincerely

Bruce Halligan
