To whom it may concern,

On behalf of our client, Southern Link Property Limited, the substantive application for the Southern Link Inland Port (FTAA-2505-1059), lodged on 16 March 2026, is withdrawn immediately. This withdrawal should take immediate effect and our client requests that no decision be made by the Environment Protection Authority under section 46 of the Fast-track Approvals Act 2024.

Our client advises that it will be refining and relodging the application as soon as possible to address the issues raised (today) by the Environment Protection Authority.

Yours sincerely,
