Post-conference directions

Alternative to the Brynderwyn Hills [FTAA-2603-1178]

24 June 2026

[1] On 12 June 2026, I issued Minute 3 setting out directions for DOC and NZTA.

I received a memorandum from DOC dated 19 June 2026 and a memorandum from NZTA dated 22 June 2026.

[2] I now have sufficient information to direct that the expert panel be set up and a decision timeframe be set. The matters raised by DOC, NZTA and Te Rūnanga o Ngāti Whātua can be considered by the expert panel.
