Dear Helen,

Thank you for the invitation to comment on Vineway Limited's Fast-track Approval Act 2024 (FTAA) substantive application, the Delmore residential subdivision and roading interchange [FTAA-2502-1015]. You have invited me to comment in my capacity as Associate Minister of Transport.

This application is to construct approximately 1,250 homes and supporting infrastructure. My view is that this will support the Government's priorities for housing, infrastructure and economic growth. I would like to take this opportunity to note my support for Delmore through the FTAA process. It presents a significant opportunity to unlock development and economic growth, to benefit the portfolios for which I have Ministerial responsibility and New Zealand overall.

Yours sincerely,
