MEMORANDUM OF COUNSEL FOR THE APPLICANT

1 July 2025

MAY IT PLEASE THE PANEL

1. This memorandum is filed in accordance with s 64 of the Fast-track Approvals Act 2024.
2. The applicant requests that processing of the substantive application for Delmore be suspended for three working days from 11.59pm Tuesday 1 July 2025 (today).
3. This would see processing recommence on the morning of Monday 7 July 2025 and the applicant's response to comments to the panel due by 11.59pm that same day.
4. The suspension is sought to ensure that the applicant has sufficient time to present its response to comments in a way that is most straightforward for the panel to navigate and to upload its response to the EPA portal.
5. The applicant does not expect the panel to stop work on its application during the short suspension period.
6. The applicant is grateful to the panel and the EPA for attending to this matter.
