
MINUTE 14 OF THE EXPERT PANEL

Further Request for Information from Applicant
Kings Quarry Expansion – Stage 2 [FTAA-2502-1018]

(24 November 2025)

- 1) The purpose of this Minute is to request further information as provided for under section 67 of the Fast-track Approvals Act 2024.
- 2) On 3 November 2025, Auckland Council notified Plan Change 120 (**PC120**), and parts of PC120 have immediate legal affect. The Panel seeks to ensure that any relevant implications of PC120 are understood. Having reviewed the content of PC120, the Panel requests that the Applicant provide comment on the landslide susceptibility rules of Chapter E36, including any applicable rules that apply to the application, and any related assessment of the Application against those provisions from their technical specialists.
- 3) The Panel requests that the Applicant provide any response to this request for information not later than **5.30pm on Tuesday 25 November 2025**.
