
MINUTE 1 OF THE PANEL CONVENER
Convener's Conference [FTAA-2511-1133] The Point Mission Bay
16 January 2025

[1] A conference will be held on **Friday 30 January at 10 am**. A MS Teams invite will shortly be sent.

[2] The purpose of this conference is to gather participant views on matters arising in relation to the application filed under the Fast-track Approvals Act 2024 (FTAA). Your views will inform two decisions that I must make as panel convener regarding:

- (a) the appointment of panel members;¹
- (b) the timing of the panel decision.²

Participants at the panel convener's conference

[3] The following persons³ are invited to attend the conference:

- (a) The authorised person or applicant – Ngāti Whātua Ōrākei Whai Rawa Limited and Generus Living Group Limited.
- (b) Relevant iwi authority and relevant Treaty settlement entities (see Schedule 3).⁴

¹ FTAA, schedule 3

² FTAA, section 79

³ These people are referred to as 'statutory participants' in the Guidance Note.

⁴ FTAA, ss 18(2)(a). Section 7, all persons performing and exercising functions, powers, and duties under this Act must act in a manner that is consistent with the obligations arising under existing Treaty settlements. The panel has a discretion to invite the iwi authorities and the Treaty settlement entities together with other Māori groups with a relevant interest to comment.

- (c) Relevant administering agency – Ministry for Environment.
- (d) Relevant local authority – Auckland Council.

Timeframe for a decision

[4] The Panel Convener decides the appropriate timeframe for release of the decision on the application. The Convener does so having had regard to the scale, nature, and complexity of the approvals sought (among other matters).⁵ Complexity is in part a function of the issues that arise on this application.

[5] If the timeframe for a decision is not appropriate this risks -

- (a) insufficient time being allowed, impacting the quality of the decision-making;
- (b) not adequately engaging with the wider requirements of public law leaving the decision susceptible to appeal or review; or
- (c) an overallocation of time which would not satisfy the procedural principles in section 10 of the Act.

[6] At the conference participants are invited to:

- (a) comment on the level of complexity including any novel or difficult legal issues, any evidential complexity, or any factual complexity;
- (b) identify, as a feature of this complexity, the principal issues in contention or other disputed matters;
- (c) state whether the drafting of proposed consent conditions (including any draft management plan filed) is accepted; and
- (d) propose efficient processes to enable the panel to understand, resolve or narrow the scope of any likely issues and indicate how these processes may be accounted for under the decision timeframe.

⁵ FTAA, section 79.

[7] It is anticipated that the local authorities and administering agencies will obtain input from planning and technical advisors to identify the likely issues. However, an assessment of merits is not required at this stage. For information about cost recovery, please refer to the EPA's cost-recovery policy (details below).

Composition of the Panel

[8] While I am not seeking nominations, I will be seeking the participants views on the skills, knowledge and expertise of the persons to be appointed to the panel.

Accessibility and recording of the panel convener's conference

[9] The conference will be held remotely, with access provided to participants. The conference will be recorded, and a copy of the recording will be made available on the fast-track website.

[10] The application documents can be viewed on the fast-track website: [Substantive Application](#).

Cost recovery

[11] Cost recovery for participation in fast-track processes is determined by the FTAA and the Fast-track Approvals (Cost Recovery) Regulations 2025.

[12] Costs for preparing and attending this conference are described in the policy. For information on costs recovery, the link to the policy is found here: [Fees, charges and cost recovery](#).

Preparation

[13] In the interests of taking all practical steps to use timely, efficient, consistent and cost-effective processes, I ask that participants take the time to consider the range of matters set out in Schedules 1 and 2 and come prepared to discuss them.

[14] Participants may find useful the Guidance Note to the practices and processes under the Act. It is found here: https://www.fasttrack.govt.nz/_data/assets/pdf_file/0022/8680/Panel-conveners-practice-and-procedure-guidance.pdf.

Directions

[15] I direct:

- (a) The participants are to file a written response to the matters set out in this Minute, including Schedules 1 and 2 (attached). Please note that the dates specified are nominal to give the participants a sense of the overall timing.
- (b) Written responses and confirmation of attendance are to be filed by close of business **Tuesday 27 January 2026**.

Helen Atkins

Associate Panel convener for the purpose of the Fast-track Approvals Act 2024

Response from Ministers. (s 72)	10 W/D later	XXX 2026

⁶ Note 1: a draft decision to decline is not included in this timeframe. If the statutory timeframe it is insufficient for applicant to respond, the applicant will need to apply to suspend the application under s 64 FTAA. Consideration should also be given to the timing of ss 70 and 72 steps.

⁷ Note 2: the order of ss 69, 70 and 72 steps may differ case-by-case. On a decision to approve, sequencing s 72 before s 70 is simplest, albeit requiring more time than running ss 72 and 70 steps in parallel.

Draft conditions and decision to participants (s 70(1))	XXX W/D (say)	XXX 2026
