# Appendix 3N: Expert Statements for Volume 3

## Expert Statements

The following is a statement of the qualifications and experience of the Planners involved in preparing this substantive application. The qualifications and experience of the specialists involved are set out in their respective individual reports.

### Peter Hall – Director, Peter Hall Planning Limited

I am a Planner and Director of Peter Hall Planning Limited, a consultancy I established in 2019. I have over 30 years' planning experience in the private sector and in local government over a wide range of strategic, policy and consenting matters. I have both prepared and assessed designations, plan changes and resource consents for many large projects, including infrastructure projects throughout New Zealand. These include the Ruakura Inland Port and Logistics hub in Hamilton for Tainui Group Holdings, the development at the Te Arai Golf Courses north of Auckland, major new office, residential and rural lifestyle developments, and designations and a plan change request by NZTA and Kiwirail for an additional Waitemata Harbour crossing. I have been providing planning advice to Ara Poutama Aotearoa Department of Corrections since 2007 on a range of projects throughout New Zealand, including the redevelopment of the Mt Eden Corrections Facility, the Auckland South Corrections Facility at Wiri (preparing the alteration to the designation and appearing before the Board of Inquiry in 2011), the expansion of the Waikeria Prison (including alterations to designations and resource consents) and the Whanganui Prison, as well as inputting into a number of strategic planning projects. I hold the qualifications of Bachelor of Planning (1993) and am a full member of the New Zealand Planning Institute.

I can confirm that I have read and abide by the Environment Court of New Zealand's Code of Conduct for Expert Witnesses Practice Note 2023.

### Jaimee Cannon – Senior Principal, Boffa Miskell Limited

I am a Senior Principal Planner at Boffa Miskell Limited. Boffa Miskell is a multi-disciplinary environmental consultancy specialising in planning, urban design, landscape design, ecology and biosecurity and engagement. I have 13 years' experience in the private sector, local government and central government planning roles across both policy planning and consenting in New Zealand and London. Recent experience includes playing a lead role in several district plan reviews (Far North District, New Plymouth District and South Taranaki District), preparing plan changes and submissions on behalf of network utility operators, and consenting a range of infrastructure projects including Wellington Airport Control Tower, Auckland Airport and Airways infrastructure upgrades, Auckland Transport roading improvements and Department of Corrections facilities. I hold the qualifications of a Bachelor of Arts in Geography (2009) and a Master of Planning (2011) from the University of Otago. I am a full member of the New Zealand Planning Institute.

I can confirm that I have read and abide by the Environment Court of New Zealand's Code of Conduct for Expert Witnesses Practice Note 2023.

## Lucy Deverall – Associate Principal, Boffa Miskell Limited

I am an Associate Principal Planner at Boffa Miskell Limited. Boffa Miskell is a multi-disciplinary environmental consultancy specialising in planning, urban design, landscape design, ecology and biosecurity and engagement. I have 16 years' experience in the private sector, local government and industry sector planning roles across both policy planning and consenting in New Zealand. Recent experience includes the re consenting and expansion of Dickson's Quarry in Whangarei, consenting the development of the Enviro NZ Drury South Transfer Station and contributing to recent Auckland Council plan changes for intensification. I hold the qualifications of a Bachelor of Arts in Political Studies and Sociology (2005) and a Masters in Planning Practice (2007) from the University of Auckland. I am a full member of the New Zealand Planning Institute.

I can confirm that I have read and abide by the Environment Court of New Zealand's Code of Conduct for Expert Witnesses Practice Note 2023.

## Morgan Paterson (nee Fallowfield) – Senior Professional, Boffa Miskell Limited

I am a Senior Professional Planner at Boffa Miskell Limited. Boffa Miskell is a multi-disciplinary environmental consultancy specialising in planning, urban design, landscape design, ecology, biosecurity and engagement. I have 8 years' experience in the private sector and local and central government planning roles across both policy planning and consenting in New Zealand. Recent experience includes playing a role in the Wairarapa Combined District Plan review, preparing submissions on behalf of Department of Corrections, and consenting a range of infrastructure projects including Airways infrastructure upgrades, Talley's solar farms and Ōmōkihi library. I hold the qualifications of a Bachelor of Science in Geography (2015) and a Master of Planning (2018) from the University of Otago. I am an intermediate member of the New Zealand Planning Institute.

I can confirm that I have read and abide by the Environment Court of New Zealand's Code of Conduct for Expert Witnesses Practice Note 2023.
