This topographic map illustrates a proposed development site. The map features a network of contour lines indicating elevation, with labels such as 1066, 1067, 1068, 1069, 1070, 1071, 1072, 1073, and 1074. A prominent stream flows diagonally across the upper half of the site, bordered by a blue stream offset and a green wetland area. A larger green area represents the ecological covenant. The site is divided into several private lots, each containing a building footprint with internal room divisions and furniture. Parking pads are shown with different hatching patterns, and concrete paths/patios are indicated by grey shading. A dashed line represents the wider site boundary, and a red dashed line indicates the N.O.R 6 designation. A north arrow is located in the top right corner, and an inset map shows the project's location within a larger regional context.
