Dear Craig

Section 30 of the Fast Track Approval Act (FTAA) – National Green Steel Ltd – 61 Hampton Downs Road

Thank you for your message of 16 June 2025 regarding Section 30 of the Fast-track Approvals Act (FTAA).

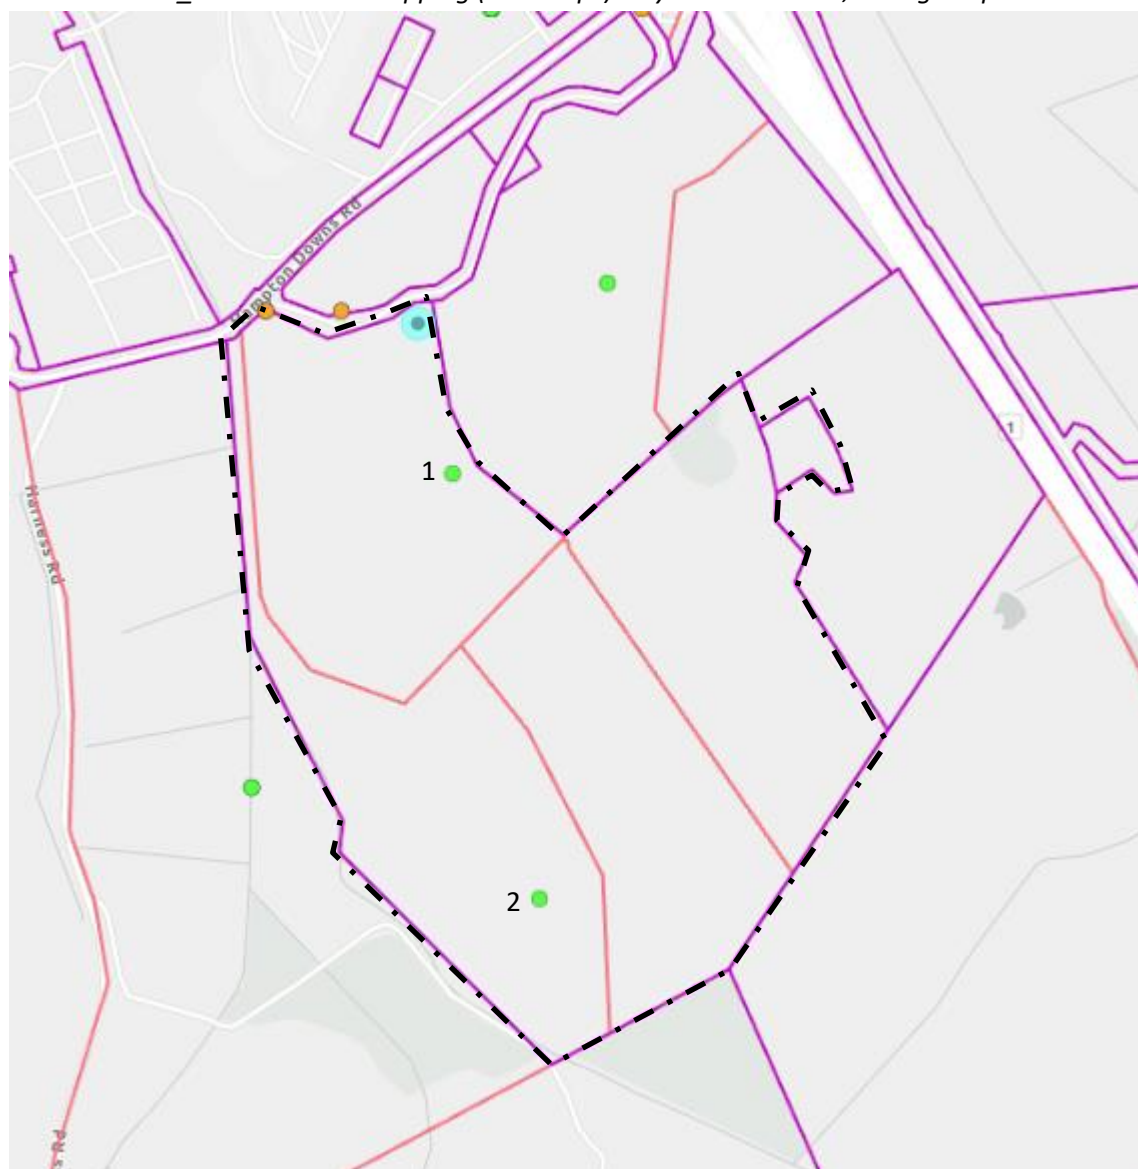

In response to your request for confirmation under s30(3), Attachment 1 identifies Waikato Regional Council consents within the subject site. Consents 1 and 2 are active well drilling authorisations held by National Green Steel Ltd for industrial water supply.

Having reviewed these consents against the criteria in s30 FTAA, including s124C(1)(c) RMA, I confirm that there are no existing resource consents that would prevent the proposed activity from being exercised if granted. Accordingly, s30(3)(b) applies.

Yours faithfully
