**MINUTE 9 OF THE EXPERT PANEL**  
Minor correction to Expert Panel Decision  
Arataki Project [FTAA-2506-1083]  
(24 March 2026)

---

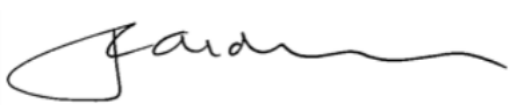

[1] On 24 February 2026, the Expert Panel released its final decision granting the consents sought for the Arataki Project, along with an Appendix A containing the conditions of consent.

[2] Section 89 of the Fast-track Approvals Act 2024 (FTAA) states that an Expert Panel “*may, within 20 working days after issuing a decision document under section 88(1), issue an amendment to the document to correct minor omissions, errors, or other defects in it*”.

[3] It has been brought to the attention of the Panel by the Environmental Protection Authority that there are two minor errors in the Appendix A conditions document. These errors are:

- (a) In condition 49A, the numbering of the subclauses reads (a), (e), and (f) rather than (a), (b) and (c); and
- (b) Condition 65d erroneously refers to a superseded version of the ‘Arataki Development Landscape Concept Report’ (Revision 2 dated 20.11.2025) and should refer to Revision C dated 16.02.2026.

[4] The Panel wishes to record that a minor correction is being made to the Appendix A – Conditions of Consent document to address these errors, and a corrected version of the consent conditions is attached.
