Request for information in relation to The Point Solar Farm application under the Fast-track Approvals Act 2024

The Point Solar Farm Expert Panel (the Panel) has directed the Environmental Protection Authority (EPA) to request further information from you under section 67 of the Fast-track Approvals Act 2024 (the Act), relating to The Point Solar Farm application.

At the direction of the Panel, the EPA is seeking further information from you regarding the updated conditions (filed 21 April 2026 – see <https://www.fasttrack.govt.nz/projects/the-point-solar-farm/substantive-application>) relevant to your concerns and the Applicant's response to RFI #7 dated 2 April 2026, as to information on the access routes for various phases of the project which was provided by the Applicant (Far North Solar Farm Limited) on 6 May 2026.

The Panel is conscious that you commented on the conditions and proposed access routes of the various phases of the project as to the substantive application. Given the updates to the conditions of 21 April 2026 and, the response on the access routes for various phases of the project which was provided by the Applicant on 6 May 2026, we give you the opportunity to comment on the updated information.

The Panel seeks responses to the following questions:

- (a) whether the updated access route information satisfies (in whole or in part) any concerns previously expressed?
- (b) whether you consider there are material deficiencies in relation to the use of the roads outside your property in the information now before the Panel?
- (c) what further amendments you consider are required to the updated condition sets.

Supply of Information

In accordance with section 67(2) of the Act you must:

- a) Provide electronic copies of the information or report requested; or
- b) Advise the EPA, with reasons that you decline to provide the information or report requested.
