Request for information (RFI) in relation to The Point Solar Farm application under the Fast-track Approvals Act 2024

The Point Solar Farm Expert Panel (the Panel) has directed the Environmental Protection Authority (EPA) to request further information from you under section 67 of the Fast-track Approvals Act 2024 (the Act), relating to The Point Solar Farm application.

At the direction of the Panel, the EPA is seeking further information on a specific element regarding the response from Far North Solar Farms Ltd (the Applicant) to Minute #21 (attached) to Far North Page 4 Condition Y – Lot 1 DP 470213 Landscape Mitigation) which was provided by the Applicant on 22 July 2026.

The Panel understands from your response to Minute #21, that in relation to the proposed landscape mitigation proposed on your land Lot 1 DP 470213, that you agree to that mitigation should the application be granted. To impose conditions of consent requiring those mitigation works to be undertaken, the Panel needs to know that you consent to those mitigation works being undertaken on your property.

The Panel is aware of the matters that are not resolved as set out in your response to Minute #21. The question in this RFI only relates to the proposed landscape mitigation measures proposed to be implemented on your land.

The Panel's specific question is:

- (a) If the application is granted, do you consent to proposed works as set out in draft Condition [Y], being undertaken on your property?

Supply of Information

In accordance with section 67(2) of the Act you must:

- a) Provide electronic copies of the information or report requested; or
- b) Advise the EPA, with reasons that you decline to provide the information or report requested.
