16/10/2025	Transpower			Letter	Letter from Transpower provided at Appendix D setting out a neutral position.

BELMONT QUARRY LAND EXCHANGE APPLICATION
C.02 CONSULTATION SUMMARY

Date	Group	Winstone Aggregates	Attendees	Consultation Type	Details
01/12/2025	Firth Industries, Firth Masonry			Letter	As an occupier of the land subject to this exchange, Firth Industries is identified as a stakeholder. Firth Concrete supports this project as it secures long-term supply of aggregates essential for the development of Wellington region. No further comments. Letter confirming support for the land exchange project provided at Appendix D .
Oct-2025	Fulton Hogan			Email / letter	Fulton Hogan leases premises immediately adjacent to the land exchange boundary. The letter outlined a formal request for comments on Belmont Quarry Development- Fast Track Land Exchange project.
27/11/ 2025	Fulton Hogan			Letter	Letter from Fulton Hogan in response to engagement. Letter confirming support for the land exchange project provided at Appendix D .
10/11/2025	Holcim (New Zealand) Limited			Email / letter	Holcim (New Zealand) Limited is the leaseholder of the Premise and Access areas adjoining the proposed land exchange boundary. The letter from Winstone to Holcim (New Zealand) Limited outlined a formal request for comments on Belmont Quarry Development – Fast Track Land Exchange project.
05/12/2025	Holcim (New Zealand) Limited			Letter	Letter of response from Holcim (New Zealand) Limited confirming in principle support for the land exchange project. Provided at Appendix D .

OTHER CONSULTATION

Winstone has undertaken consultation with other persons and groups to help Winstone ascertain whether or not those parties were likely to be potentially affected by the land exchange project. This is a record of the parties consulted, at the suggestion of GWRC Park Ranger who were included in the Management Plan for the Park as having previously been involved in the Park. Winstone's determination as to whether they are affected or not they are likely to be affected by the Project for the purposes of section 13(4)(j) is set out in the main report in Section 7.

- Kāinga Ora.
- Friends of Belmont Regional Park.
- Kelson Community Association; and
- Pareraho Forest Trust.

Date	Group	Winstone Aggregates	Attendees	Consultation Type	Details
19/09/2025	Kāinga Ora	X	X	Meeting	Introductory meeting to discuss Belmont Quarry project noting Kāinga Ora is listed as a key stakeholder in the Toitū Te Whenua Parks Network Plan 2020-2030 (page 103). Winstone to provide background information following the meeting • Kāinga Ora to provide a formal response letter • No issues identified with the proposed land exchange • Keen to remain engaged for the substantive application
1/10/2025	Kāinga Ora			Email	Follow up email
4/11/2025	Kāinga Ora			Email	Additional background information provided to Kāinga Ora.
24/11/2025	Kāinga Ora			Email	Letter received from Kāinga Ora stating neutral position on land exchange. Keen to stay engaged for the substantive application. The letter of support in principle for this project dated 24/11/2025 is provided at Appendix D .
6/05/2025	Friends of Belmont Regional Park			Email	Response to email received 1/05/25 requesting to meet and discuss project.
9/05/2025	Friends of Belmont Regional Park			Email	Offered to meet in person to discuss the project in early June.
4/06/2025	Friends of Belmont Regional Park			Meeting	Overview of the project, progress and discussions on next steps. Discussions included the ecological and recreational values of the footprint, gully effects, and views that the draft land swap was a net loss.
19/08/2025	Friends of Belmont Regional Park			Email	Update on design changes and provided a copy of September Stakeholder updates.
10/09/2025	Kelson Community Centre			Email	Provided summary of proposal and September Stakeholder Update.
15/09/2025	Kelson Community Centre			Email	████ confirm Kelson Community Centre has no interest in the Dry Creek area of Belmont Regional Park. A copy of the email is provided at Appendix D .
10/09/2025	Pareraho Forest Trust			Email	Provided summary of proposal and September Stakeholder.
18/09/2025	Pareraho Forest Trust			Email	████████ confirmed via email that "Our Trust, at least informally, comes under the umbrella of the Friends of Belmont Regional Park, which is a collective of community groups and individuals active within the Regional Park. We are aware that you have been engaging with the Friends and we are satisfied at this stage that they represent our interests in this matter, we encourage you to keep working closely with them." A copy of the email is provided at Appendix D .

BELMONT QUARRY LAND EXCHANGE APPLICATION
C.02 CONSULTATION SUMMARY

9/09/2025	Adjoining properties door knocking			Visits to properties	<p>Seven properties were visited.</p> <ul style="list-style-type: none"> For 4 out of 7 properties: no one home. ██████████ is still under construction, the premises were unoccupied. Spoke to ██████████ ██████████ had no concerns about the proposal and acknowledged the OBDA was moving farther away from property. Left information pack and contact details if they had any additional questions. ██████████ met with owner occupie ██████████ ██████████ acknowledged the OBDA being located farther away than Cottle Block and was not opposed to the OBDA proposal. ██████████ primary concern and was landscape/outlook but understood the OBDA was beyond the Cottle block (adjacent to their property). ██████████ requested black berry weeds be controlled on the boundary of Fletchers land. Letters and information pack left in letter boxes for remainder of houses.
25/11/2025	Adjoining properties door knock			Visit to property	<p>Purpose: Provide update on Belmont Quarry Land Exchange, including addition of Southern Gully parcel. Summary: Winstone representatives presented an information pack and cover letter outlining the updated land exchange proposal. ██████████ received the material and engaged in brief discussion about the changes, noting awareness of the process and intention to review the information. Coordination for any future engagement will consider ██████████ travel commitments.</p>

Waka Kotahi - New Zealand Transport Agency

Date	Group	Winstone Aggregates	Attendees	Consultation Type	Details
16 - 17/09/2025	NZTA			Phone call + Emails	Discussion re the Belmont Quarry Development and NZTAs proposed mitigation work in Belmont Regional Park. Organising to meet to discuss further.
18/09/2025	NZTA			Email	Provided summary of proposal including confirmation of no traffic effects (in the form of vehicle movement and no new accessways being created) from proposed quarry development and land exchange and September Stakeholder Update
18/09/2025	NZTA			Letter	Letter from Winstone to NZTA setting out the project requirement and next steps re: further consultation.
25/09/2025	NZTA			Email	Follow up re offset mitigation and requesting an update.
14/10/2025	NZTA			Emails	Follow up re offset mitigation and requesting an update. NZTA response: the 3 councils are amenable to changing the planting area, but they are unable to provide their position at this stage.
24/10/2025	NZTA			Email	Appending memo re 'Existing access arrangements to proposed land exchange areas' and requesting NZTZ feedback.
11/11/2025	NZTA			Emails	Requesting meeting to discuss fast-track application. NZTA response: waiting to hear back from GWRC re mitigation – no other updates at this stage.
24/11/2025	NZTA			Phone call	To discuss the exchange application and indicative timeframes. NZTA confirmed it would provide a written letter following that discussion.
25/11/2025	NZTA			Emails	Appending memo re proposed additional land to be exchanged – Southern Gully, council emails and original consultation pack. Requesting NZTA feedback on the land exchange application NZTA response: new mitigation area confirmed yesterday be GWRC, waiting on sign of by HCC and UPC. Formal response to come and guidance on points to cover in formal response.
28/11/2025	NZTA			Email / letter	Letter from NZTA commenting on the proposed Belmont Quarry land exchange. NZTA confirms that its only interest in the land exchange relates to the use of the OBDA as an offset area, which NZTA is working towards relocating. Once the relocation is confirmed, then NZTA have no interest in the land exchange. State Highway is unaffected. A copy of the NZTA letter dated 28/11/2025 is provided at Appendix D .
