To Whom It May Concern,

RE: Support for Delmore Development Application

I am the owner of the property located at [REDACTED]

I write to formally confirm my support for the Delmore development application currently under consideration.

Having reviewed the proposal and its anticipated outcomes and consent to the application, I am supportive of the development and the broader benefits it is expected to bring to the Orewa and surrounding areas. In particular, I acknowledge the role the project may play in contributing to housing supply, infrastructure investment, and the overall growth of the locality.

I understand that the application is progressing through the relevant approval processes, and I confirm that I have no objection to the proposal proceeding in its current or substantially similar form.

Should any further clarification or confirmation be required, I am happy to provide additional information if needed.

Yours sincerely,
