Kia ora Sheryl,

Could you please provide the contact details of the nominated parties? Chancey Green will be in touch with them shortly to begin organising the conference on behalf of the Panel.

In response to Minute 15 WRC confirms that Kaitlyn Morrison is available to attend the expert conferencing over the time period suggested.

WRC considers that the issues set out in paragraph 11 of the minute are appropriate for discussion to address the matters raised in WRC's substantive response.

WRC makes no comment on the 15.4 matters other than to note that WRC staff have no preference for an online or in person meeting.

In response to Minute 12 WRC does not propose to provide comments on the Earthtech 2026 report.

Regards
Sheryl
