Response No.	Date	Comment summary	Applicant response
1.1.1.	10.09.25	- Heritage New Zealand Pouhere Taonga (HNZPT) recommends that an archaeological authority is granted, subject to conditions, under the Fast-track Approvals Act 2024 (FTA Act). - If the authority is granted, HNZPT recommends that the panel approve the application for Kim Tatton as the approved person to carry out the archaeological work under the authority. - HNZPT also agree with the proposed conditions, and the AEE, in regard to, consideration of the effects and proposed mitigation on the archaeological, Māori and other related values.	
		HNZPT recommends that an archaeological authority be granted under the FTA Act, subject to conditions.	HNZPT suggested minor amendments to the draft Archaeological Authority conditions prepared and filed with the Applicant’s substantive application. The Applicant accepts the changes proposed by HNZPT and has updated the draft Archaeological Authority document which will be filed with the Applicant’s 1 October 2025 response.
1.1.2.	24.09.25	A second response was received from HNZPT (Chloe Davies). The response stated that overall, based on the information provided, we have no objection to the approval of the resource consents for the construction and operation of a new quarry pit called the “Sutton Block” within the existing Stevenson Aggregates Limited (SAL) landholdings at Drury.	No response required.
