Dear Trevor,

Thank you for the invitation to comment on Waterfall Park Developments Limited's, Fast-track Approvals Act 2024 (FTAA) substantive application, the Ayrburn Screen Hub project (FTAA-2508-1093). I am responding in my capacity as Minister for Infrastructure

Infrastructure is important for growth and prosperity. Our view is our planning system has not been enabling of growth, hence the establishment of the FTAA.

I wish to take this opportunity to express my broad support for projects which deliver positive outcomes for New Zealand, including the Ayrburn Screen Hub project. Please take this letter of support as a reflection of the Government's economic growth and infrastructure priorities.

Yours sincerely,
