Dear Amanda,

Thank you for the invitation to comment on Genesis Energy Limited's Fast-track Approvals Act 2024 (FTAA) substantive application, the Foxton Solar Farm project (FTAA-2510-1121). I am responding in my capacity as Minister for Infrastructure

Infrastructure is important for growth and prosperity. Our view is our planning system has not been enabling of growth, hence the establishment of the FTAA.

I wish to take this opportunity to express my broad support for projects which deliver positive outcomes for New Zealand, including the Foxton Solar Farm project. Please take this letter of support as a reflection of the Government's economic growth and infrastructure priorities.

Yours sincerely,
