
MINUTE 9 OF THE EXPERT PANEL
Minor Corrections
Mahinerangi Wind Farm [FTAA-2510-1125]
3 August 2026

[1] On 3 July the Panel granted the approvals sought for the Mahinerangi Wind Farm subject to conditions (Decision).

[2] The Panel has received requests for Minor Corrections from the Applicant and the Otago Regional Council.

[3] Section 89 of the Fast-track Approvals Act 2024 (FTAA) provides that the Panel may, within 20 working days after issuing a decision document under section 88(1), issue an amendment to the document to correct minor omissions, errors, or other defects in it.

[4] The Panel has considered the requested changes and is satisfied that the items raised fall within the amendments contemplated by s 89 of the FTAA.

[5] Overall, the amendments collectively tidy up errors, fix internal inconsistencies in conditions and supporting documents, refine procedural wording, and correct drafting, formatting, and referencing issues in the main decision – ensuring the decision is accurate, internally consistent, and

practically implementable without changing its substance.

A handwritten signature in blue ink, appearing to read "BSullivan", with a stylized flourish at the end.
