Thank you for the opportunity to comment on this application. As a resident of the adjacent property at 30 Madden I would like to make the following comment at this point. I have concerns as to the height of the tower block which it seems is outside the allowable height. This will cast shadows over the surrounding area. Not necessarily affecting my particular apartment but it concerns me that the area was originally planned to have lower-rise residential scale that allowed for more natural light to enjoy the park areas and not have dark corridor streets. This was what attracted us to want to live in Wynyard Quarter as opposed to elsewhere in the CBD.
