

CODE OF CONDUCT STATEMENT AND SUMMARY OF EXPERIENCE OF JOEL WORTH

1. INTRODUCTION

- 1.1 My name is Joel Zebadiah Worth. I am a Principal Environmental Engineer at CKL NZ Limited.

Qualifications and experience

- 1.2 I hold a Bachelor's degree, with Honours, in Civil and Environmental Engineering from the University of Auckland (2007) and a New Zealand Certificate in Civil Engineering from NZQA (1998). I am also a Chartered Professional Engineer (CPEng) and full Chartered Member of Engineering New Zealand (CMEngNZ).
- 1.3 I have over 25 years' experience in Civil and Environmental Engineering. I specialise in stormwater and flood risk management.
- 1.4 My recent experience relevant to this project includes:
- (a) Stormwater and Flood Risk Management technical expert for Riverhead Private Plan Change (PC100)
 - (b) Principal engineer in overseeing the Stormwater and Flood Risk Management strategy and design for R2 Growth Cell in Hamilton.

Involvement in project

- 1.5 I was engaged by Sunfield Developments Limited in November 2024, to undertake peer reviews of:
- (a) The hydrological and hydraulic modelling
 - (b) Overarching stormwater and flood risk management strategy.

Expert Witness Code of Conduct

- 1.6 I have read the Code of Conduct for Expert Witnesses, contained in the Environment Court Consolidated Practice Note (2023) and I agree to comply with it at expert conferencing.
