**Waipapa Taumata Rau University of Auckland Student Centre and Library: Taumata Rangipuke**

Ngāti Whātua Ōrākei has been actively working with the teams leading the Waipapa Taumata Rau Student Centre and Library project, including in the preparation of a Concept Direction in partnership with Haumi Limited. This collaboration has been underpinned by meaningful engagement, and Ngāti Whātua Ōrākei acknowledge the progressive and fruitful good-faith discussions that have taken place to date.

Ngāti Whātua Ōrākei confirm our support for the Waipapa Taumata Rau University of Auckland Student Centre and Library: Taumata Rangipuke application. We look forward to ongoing collaboration to ensure that this important development is created and, once open, operates in way which is respectful and culturally appropriate to benefit this whenua and all of those who will utilise this building in their pursuit of knowledge.
