Register of Panel Members Interests

22 June 2026

Due to the limited size of the resource consenting industry in New Zealand, it is unavoidable that panel members have previous professional connections with some parties that the Applicant has contracted for its application, or with third parties that are relevant to the application (such as local authorities, government organisations, or private companies).

Where a panel member has identified an interest that is more specific in nature, it has been recorded below.

Name	Declarations
Sue Simons	• Nothing to record.
Nigel Mark-Brown	• Nothing to record.
Carolyn Wratt	• Nothing to record.
James Whetu	• Nothing to record.
