HI John cc Dave,

Please find attached deliverables for the AUP OLS modelling project. Included are the following:

- Zip file containing 3D CAD models of the NZNE AUP OLS (dxf and dwg) in NZTM and Mt Eden CRS
- NZNE_OLS_QA_REPORT_V1_260623 pdf document outlines all parameters used and other model information, including a disclaimer about the source of the fan origins.
- A kmz file showing the lateral boundaries of OLS and PANS0OPS VSS

Please let me know if you have any questions about the deliverables.

Regards,

Bevan Lewell
