

KEY FINDINGS

After several introductory questions, including screens that could be viewed to present information about the McCallums proposal (see details in the full report), the following key questions were presented in the survey:

Are you in favour or not in favour of the McCallum Brothers company being granted permission to mine sand from the seabed in Bream Bay?

In favour

Not in favour

Not sure/don't have an opinion

Those in favour or not were then asked to identify the strength of their opinion:

Is that ...

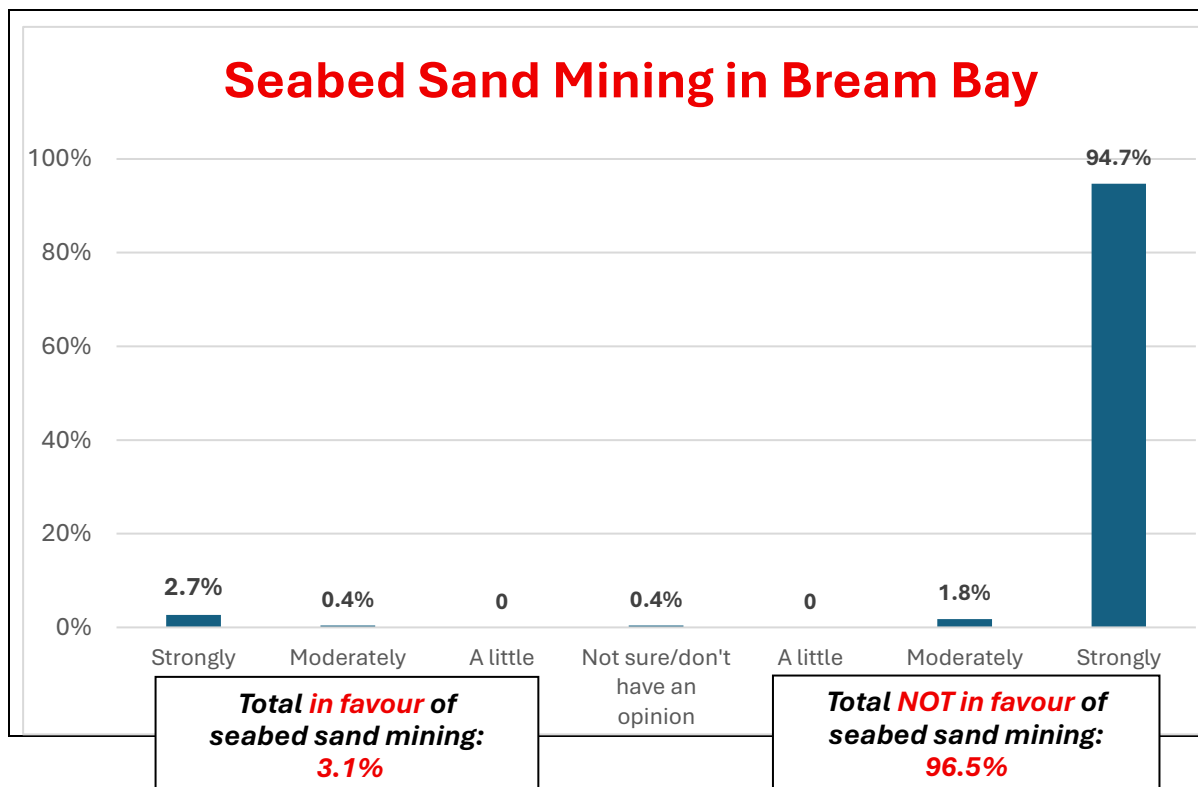

Strongly

Moderately

Only a little ...

In favour/not in favour

Results:

Based on the answers of the 1505 people who answered the questions represented in this graph.
