
MINUTE 4 OF THE PANEL CONVENER
Convener's Conference Ridgeburn [FTAA-2603-1186]
24 June 2026

[1] A conference will be held on **30 June 2026 at 10am**. A MS Teams invite will shortly be sent.

[2] The purpose of this conference is to gather participant views on matters arising in relation to the application filed under the Fast-track Approvals Act 2024. Your views will inform two decisions that I must make as panel convener regarding:

- (a) the appointment of panel members;¹
- (b) the timing of the panel decision.²

Participants at the panel convener's conference

[3] The following persons³ are invited to attend the conference:

- (a) The authorised person or applicant – Ridgeburn Limited (Cameron Hodgson) and Barker and Associates (Olivia Fitzgerald)
- (b) The relevant iwi authorities and relevant Treaty settlement entity (see Schedule 3).⁴

¹ FTAA, schedule 3

² FTAA, section 79

³ These people are referred to as 'statutory participants' in the Guidance Note.

⁴ FTAA, ss 18(2)(a). Section 7 states, relevantly, all persons performing and exercising functions, powers, and duties under this Act must act in a manner that is consistent with—the obligations arising under existing Treaty settlements. The panel must invite iwi authorities

- (c) Relevant administering agencies – the Department of Conservation and Heritage New Zealand Pouhere Taonga.
- (d) Relevant local authority – Otago Regional Council and Queenstown Lakes District Council.

Timeframe for a decision

[4] The Panel Convener decides the appropriate timeframe for release of the decision on the application. The Convener does so having had regard to the scale, nature, and complexity of the approvals sought (among other matters).⁵ Complexity is in part a function of the issues that arise on this application.

[5] If the timeframe for a decision is not appropriate this risks -

- (a) insufficient time being allowed, impacting the quality of the decision-making;
- (b) not adequately engaging with the wider requirements of public law leaving the decision susceptible to appeal or review; or
- (c) an overallocation of time which would not satisfy the procedural principles in section 10 of the Act.

The conference

[6] At the conference participants are invited to:

- (a) comment on the extent of engagement by the applicant both before and following lodgement of the application;
- (b) identify further information required to accurately scope, amongst

and the Treaty settlement entities and adjacent landowners and occupiers to comment on the application. The panel may also invite other Māori groups with a relevant interest to comment.

⁵ FTAA, section 79.

other matters, the potential effects of the activity and any potential information gaps;

- (c) the applicant aside, identify in-house experts and external consultants engaged on this project;
- (d) record processes agreed with the applicant to narrow or reduce any *issues* relevant to the application and the decision that the panel is required to make;
- (e) where there is a difference of opinion between the applicant and any other participant, identify the principal environmental effects at issue;
- (f) describe the *complexity* of this application;
- (g) state whether the drafting of proposed consent conditions (including any draft management plan filed) is accepted; and
- (h) propose efficient processes to enable the panel to understand, resolve or narrow the scope of any likely *issues* and indicate how these processes may be accounted for under the decision timeframe.

[7] It is anticipated that the local authorities will obtain input from planning and technical advisors to identify the likely issues. However, an assessment of merits is not required at this stage. For information about cost recovery, please refer to the EPA's cost-recovery policy (details below).

Composition of the Panel

[8] I will be seeking the participants' views on the skills, knowledge, and expertise required for persons to be appointed to the panel.

[9] I have written to the Local Authorities separately inviting them to nominate a person for appointment to the panel.

Accessibility and recording of the panel convener's conference

[10] The conference will be held remotely, with access provided to participants. The conference will be recorded, and a copy of the recording will be made available

on the fast-track website.

[11] The application documents can be viewed on the fast-track website [here](#).

Cost recovery

[12] Cost recovery for participation in fast-track processes is determined by the FTAA and the Fast-track Approvals (Cost Recovery) Regulations 2025.

[13] Costs for preparing and attending this conference are described in the policy. For information on costs recovery, the link to the policy is found [here](#).

Preparation

[14] I ask that participants take the time to consider the range of matters set out in Schedules 1 and 2 and come prepared to discuss them.

Directions

[15] I direct:

- (a) The participants are to file a written response to the matters set out in this Minute, including Schedules 1 and 2 (attached).
- (b) Written responses and confirmation of attendance are to be filed by **10:00am on 29 June 2026**.

⁶ Note 1: a draft decision to decline is not included in this timeframe. If the statutory timeframe is insufficient for applicant to respond, the applicant will need to apply to suspend the application under s 64 FTAA. Consideration should also be given to the timing of ss 70 and 72 steps.

⁷ Note 2: the order of ss 69, 70 and 72 steps may differ case-by-case. On a decision to approve, sequencing s 72 before s 70 is simplest, albeit requiring more time than running ss 72 and 70 steps in parallel.
