Attention:

Dear

Buller Plateaux Continuation Project (BPCP) – Response to Further Information Request FTAA-2608-1279

I am writing in response to your request for information, issued on 11 September 2026, relating to the approvals Bathurst Resource Limited is seeking for the Buller Plateaux Continuation Project. Please find this information **attached** to this letter as follows:

- > **Response table** setting out the questions in your letter dated 11 September 2026, and Bathurst's response to these;
- > **Attachment 1** – A copy of the Licence to Occupy referred to within the Response table;
- > **Attachment 2** – A letter also addressing some of the specific questions from EcoLogical Solutions;
- > **Attachment 3** – A letter from Te Rūnanga o Ngāti Waewae dated 30 June 2026, confirming consultation obligations inherent in the FTAA with iwi have been complied with;
- > **Attachment 4** – Maps of the two main permanent diversions proposed as part of the Project (as per Chapter A.4 – Project Description of the Application);
- > **Attachment 5** – Indicative cross sections of the main permanent diversion structures.

Should you have any questions regarding this response, please do not hesitate to contact the undersigned.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'CHH', enclosed within a light gray rectangular border.
