Declaring State Highway to be Limited Access Road—Dunedin Region

It is notified that Transit New Zealand, by resolution dated 4 April 2001 and pursuant to section 88 (1) of the Transit New Zealand Act 1989, hereby declares those parts of State highway described in the Schedule hereto, and as more particularly shown on plans LA/13/006/893/A, LA/13/006/918/A, LA/13/006/942/C, LA/14/006/1111/A, LA/14/093/000/A and LA/14/096/050/A and accompanying Schedules held in the office of the Regional Manager, Transit New Zealand, Dunedin, and there available for public inspection, to be limited access road.

Schedule

1. That section of State Highway No. 6 that is:
 - (a) At Wanaka, commencing at Mt Iron (Route Position 893/0.0) and proceeding generally in an easterly direction to the intersection with State Highway No. 8A (Route Position 901/0.0); a distance of 8 kilometres.
 - (b) At Cromwell, commencing at Gravelly Gully (Route Position 918/5.65) and proceeding generally in a southerly direction to Shortcut Road (Route Position 983/3.12); a distance of 17.47 kilometres.
 - (c) At Cromwell, commencing at Cemetery Road (Route Position 942/3.15) and proceeding generally in a westerly direction to the Goldfields Mining Centre at Kawarau Gorge (Route Position 942/8.06); a distance of 4.91 kilometres.
 - (d) At Dipton, commencing at the Dipton Rest Area (Route Position 1111/5.65) and proceeding generally in a southerly direction to Deans Road, Winton (Route Position 1143/0.0); a distance of 26.35 kilometres.
2. That section of State Highway No. 93 that is at Clinton, commencing at Merrie Creek Road (Route Position 00/0.35) and proceeding generally in a westerly direction to Mataura (Route Position 31/10.19); a distance of 40.84 kilometres.
3. That section of State Highway No. 96 that is at Winton, commencing at the junction with State Highway No. 6 (Route Position 50/0.0) and proceeding generally in a westerly direction to Hundred Line Road (Route Position 66/0.18); a distance of 16.18 kilometres.

Dated at Wellington this 19th day of April 2001.

Signed on behalf of Transit New Zealand by:

M. K. LAUDER, State Highway Control Manager.

**NOTICE BY TRANSIT NEW ZEALAND AUTHORISING A
CROSSING PLACE TO AND FROM A LIMITED ACCESS ROAD
UNDER SECTIONS 90 AND 91 TRANSIT NEW ZEALAND ACT 1989**

State Highway No: 6

Declared section of Limited Access Road: Gravelly Gully to Shortcut Road declared a limited access road in NZ Gazette dated 03/05/2001 at page 1044

Description of the parcel(s) of land to which this Notice refers (described in this Notice as "the Property"): Sec 62, Block 4, Wakefield SD 10B/738

SPECIFICATION OF LOCATION OF CROSSING PLACE(S)

- 1 Pursuant to sections 90 and 91 of the Transit New Zealand Act 1989, this Notice records that at the crossing place(s) numbered 34 on Plan Number LA/13/006/918/A, vehicles may proceed to and from the Limited Access Road and from and to the property. A copy of the plan is available for inspection at the Transit New Zealand (Transit) Regional Office at Dunedin.
- 2 The crossing place(s) shall be located on the road frontage 145 metres from the preceding boundary.

Dated this 9 th day of July 2001

C91 5057376.2 NOTICE UNDER SECT1
CPY-01/01.PGS-002.10/07/01.16:15

Doc ID: 110224693

SIGNED for and on behalf of
TRANSIT NEW ZEALAND

.....
Maree Faid Regional Planner for
Regional Manager - Dunedin
(acting pursuant to delegated authority)

ADVICE NOTES

- (a) At the time of issue of this notice, the crossing place(s) is used as quarry.
- (b) If the crossing place(s) was in existence at the time of the declaration of the State highway as a Limited Access Road, this notice does not confirm the acceptability of its safety or standard of design and construction for its current use. If the owner has any concerns in this regard, he/she should contact Transit.
- (c) Transit has standards for the design and construction of crossing places to State highways, and requires the owner to adopt those standards when making any changes to the use, location or design of the crossing place(s).
- (d) A separate written permission from the Regional Manager in accordance with section 51 of the Transit New Zealand Act 1989, is required before any work may be done on the State highway, other than routine maintenance which is to be done by the owner of the Property. This notice does not constitute that written permission.
- (e) Transit wishes to emphasise that section 91 of the Transit New Zealand Act 1989 gives Transit the power to cancel the right to use a crossing place(s). This will only be exercised after the owner has been given the opportunity to discuss the matter with Transit. In summary, Transit's cancellation powers will apply in the following situations:
 - (i) when there is a change to the legal description of the Property; or
 - (ii) when there is a change in the location of the crossing place(s); or
 - (iii) when another crossing place(s) is authorised; or
 - (iv) where access to the Property is available from another road.

Annexure Schedule 2

CONTINUATION OF "EASEMENTS OR PROFITS À PRENDRE RIGHTS AND POWERS (INCLUDING TERMS, COVENANTS AND CONDITIONS)"

The Grantee shall have as easements in gross forever in favour of the Grantee the following rights:-

- (a) To convey electricity under and through the soil of those parts of the land in Record of Title 1019401 marked A, B and C on Deposited Plan 565798 (hereinafter referred to as "the electricity cable easements");
- (b) To establish and maintain on those parts of the land in Record of Title 1019401 marked A and C on Deposited Plan 565798 an electricity transformer and ancillary equipment (hereinafter referred to as "the transformer sites").

(the said Record of Title 1019401 is hereinafter referred to as "the burdened land").

TERMS, CONDITIONS, COVENANTS OR RESTRICTIONS IN RESPECT OF THE RIGHT TO CONVEY ELECTRICITY AND MAINTAIN ELECTRICITY TRANSFORMERS AND ANCILLARY EQUIPMENT

A. ELECTRICITY CABLE EASEMENTS

The Grantee shall have the right

- (a) To lead and convey electricity, electric impulses, and ancillary telecommunications without interruption or impediment (except during any periods of necessary renewal or repair) by means of conduits, cables, pipes and ancillary equipment laid or to be laid under the surface of and through the soil of the electricity cable easements.
- (b) To lay, place, inspect, repair, maintain, renew, upgrade and replace under the electricity cable easements such conduits, cables, pipes and ancillary equipment as may be necessary to convey such electricity, electric impulses, and ancillary telecommunications by means of the said conduits, cables, pipes and ancillary equipment.
- (c) For the Grantee its servants, agents, workmen and contractors to enter and remain on such part or parts of the burdened lands as may be necessary to secure access to the electricity cable easements and the said conduits, cables, pipes and ancillary equipment and on such parts of the burdened lands as may be necessary for the purpose of laying, placing, inspecting, repairing, maintaining, renewing, upgrading and replacing the said conduits, cables, pipes and ancillary equipment together with full power and authority for the Grantee its surveyors, engineers, workmen, agents and servants with or without vehicles implements machinery and equipment from time to time and at all times to enter and remain on the said part or parts of the burdened lands as may be necessary for the purpose of exercising and enjoying all or any of the rights privileges and easements granted in this instrument.

B. ELECTRICITY TRANSFORMER EASEMENTS

The Grantee shall have the right

- (a) To construct, install, place, inspect, repair, maintain, renew, upgrade and replace on the transformer sites electricity transformers and ancillary equipment.
- (b) To lay, place, inspect, repair, maintain, renew, upgrade and replace on or under the transformer sites cables for the transmission of electrical energy and ancillary telecommunications together with the right to transmit electrical energy and telecommunications through and along the said cables.
- (c) For the Grantee its servants, agents, workmen and contractors to enter and remain on such part or parts of the burdened land as may be necessary to secure access to the transformer sites and the said electricity cables and on such parts of the burdened land as may be necessary for the purpose of constructing, installing, laying, placing, inspecting, repairing, maintaining, renewing, upgrading and replacing the said electricity transformers and ancillary equipment and the said cables together with full power and authority for the Grantee its surveyors, engineers, workmen, agents and servants with or without vehicles implements machinery and equipment from time to time and at all times to enter and remain on the said part or parts of the burdened land as may be necessary for the purpose of exercising and enjoying all or any of the rights privileges and easements granted in this instrument.

1. The Grantor covenants with the Grantee

- (a) Not to place any building or other structure or plant any tree or shrub or alter the natural level of the land on the electricity cable easements and the transformer sites without the prior written consent of the Grantee.

The Grantor may use the easement area including the land above the easement facility as an accessway and/or yard (which may be surfaced with chip seal or similar). The Grantor will not surface the easement area within accessway/yard with concrete unless a spare duct has been laid for any cabling through the electricity cable easement and the transformer sites.

- (b) To take all reasonable steps to ensure that their tenants, agents and workmen do not do any wilful or negligent act or thing whereby the said conduits, cables, pipes and ancillary equipment, the electricity transformer and ancillary equipment and the said electricity cables shall be damaged or destroyed. If it is established that the damage was caused by the negligent or wilful act of the Grantor or their tenants, agents or workmen then the Grantor shall be responsible for the repair and/or replacement required. Any work so required shall be carried out by a Contractor selected by the Grantee.
- (c) Not at any time permit or suffer any act or thing whereby the rights, powers, liberties, licences and easements hereby granted to the Grantee may be interfered with or affected.
- (d) That the Grantee will not be required to erect or maintain a fence around the transformer site or the said electricity transformer and ancillary equipment and except in respect of rubbish debris or obstruction left there by the Grantee the Grantee shall not be responsible for the normal maintenance of those parts of

the transformer site not covered by the said electricity transformer and ancillary equipment or keeping the same clean and tidy.

2. The Grantee covenants with the Grantor that upon the exercising of any of its rights the Grantee shall

- (a) Cause as little damage and disturbance as possible to the burdened lands, the Grantor and the occupiers of the burdened land;
- (b) Restore the burdened lands as near as reasonably possible to its previous condition;
- (c) Make good at the Grantee's expense any damage caused by the Grantee (or its contractors or agents) to the buildings, erections and fences of the Grantor or on the burdened land.
- (d) Not except while work is being carried on upon the burdened lands leave on that part of the burdened land not covered by the electricity easements any rubbish or debris or obstruction.
- (e) Not except while work is being carried on upon the burdened land leave on that part of the burdened land not covered by the electricity transformer and ancillary equipment any rubbish or debris or obstruction.

3. Other covenants:

- (a) The Grantor may require the Grantee to relocate the electricity cable easement and the transformer sites to another location on the Grantor's land, and to surrender this easement (to be replaced by a new easement in the new location of the electricity cable easement and the transformer sites), if the Grantor considers this necessary or desirable for the purpose of any future subdivision, development or change in use of the burdened land. The Grantor will meet the actual and reasonable costs of any such relocation (i.e. the cost of physical works and the legal, survey and registration costs relating to surrendering the easement and creating a new easement, including Grantee's reasonable legal costs).
- (b) If the Grantee or its contractors requires access to the land to carry out inspections, maintenance or repairs, it will give not less than 2 working days notice to the Grantor. In the case of an emergency where urgent access is required, it will first notify the Emergency After Hours Contact provided by the Grantor.
- (c) The Grantee will at all times while on the Grantor's premises:
 - i. Comply with all applicable health and safety legislation and regulations including the Health & Safety at Work Act 2015;
 - ii. Ensure, so far as is reasonably practicable, the health and safety of its workers and those who may be influenced or directed by the Grantee;
 - iii. Ensure the health and safety of other persons is not put at risk from the work carried out by the Grantee; and
 - iv. Comply with the Grantor's health and safety processes and procedures (including the requirement of the Grantor for any persons undertaking work

on its site to first undertake a site induction) and the reasonable instructions of the Grantor regarding health and safety while on the Grantor's site; and

- v. and will ensure that its employees and contractors also comply with the above.
- (d) Except as otherwise agreed, the cost of the works contemplated by A and B above, and the cost of repairing and maintaining the electricity cable easements and the transformer sites, so as to keep it in good order and to prevent it from becoming a danger or nuisance (which will be the responsibility of the Grantee), will be met by the Grantee.
- (e) Clause 11(3) of Schedule 5 of the Land Transfer Regulations 2018 is deleted.
