Comment.pdf;

Good afternoon,

We live close to where the motorway will be built.

My request and apologies if this has been covered:

We would like the motorway to be banked along the side to prevent the lights from passing traffic entering our windows as this will disrupt our evenings and sleep.

Also, for the overpass going over the motorway on Woodend Beach Road we would like further information on the location of where this ends - there is a possibility that it will conflict with our current driveway. Will the Jill Creamer track continue on this overpass to make it safe for us to continue to walk/cycle to Woodend for school and social purposes?

Thank you for your time.

Kind regards,

Emma
