

Good morning Jennifer Caldwell (Chair) and expert panel members,

Thank you for your invitation to comment on the Arataki project under the FTAA.

Forest & Bird has considered the proposal and concluded that the development will not directly affect the operation of its Hastings-Havelock North branch nursery located at 104 Arataki Road.

Forest & Bird has provided a letter to the owners of [REDACTED] (Sarah Johnstone / Shaggy Range) supporting their efforts in seeking good environmental outcomes for the neighbouring Arataki development. This includes suggestions on native tree planting to support connectivity with Arataki reserve and Te Mata Peak. We understand that letter will be attached to the comments of Shaggy Range provided to the expert panel on the Arataki project.

Ngā mihi,

Erika Toleman
