Tāiko Critical Minerals Limited

By email: [REDACTED]

Dear Mike,

Tāiko Critical Minerals Limited - Fast Track Approvals Act 2024 –Barrytown Minerals Project (Schedule 2)

1. We understand that Tāiko Critical Minerals Limited (**TCML**) propose to:
 - (a) establish and operate mine sites, processing facilities, and ancillary activities for mineral sand extraction activities, processing, and transporting product at Barrytown, West Coast; and
 - (b) in relation to the Fast Track application, mine the Southern Block (between Fagan Creek and Canoe Creek) including associated site works and its rehabilitation, including the construction of a new wetland for the purposes of landscape and ecological enhancement of the site.
2. The Southern Block comprises approximately 408ha on the Barrytown Flats (with mining to occur on approximately 280ha). We own the following parcels of land that form part of the Barrytown Minerals Project Southern Block:

Lot 1 DP 3548 and Rural Section 2927 contained in Record of Title WS8C/143	Moir Farms Maimai Limited
---	---------------------------

3. The purpose of this letter is to confirm that we agree that TCML can access our land to undertake the mining and related activities for the Barrytown Minerals Project, including in relation to any conditions of consent required by the resource consents, wildlife authority or archaeological authority.
4. Please do not hesitate to contact me if you have any questions in relation to the above.
